Trot2 - Making a High Level and Comfort and Performance a Priority by Lenie Smith

Article published on July 10th 2012 | Shopping

Trot2 is very much proud to present their great and elegant range of equestrian clothing that has been tailored for women either on or off the files, and that is the Pikeur clothing. Renowned by the professional horse riders, this clothing line can be seen in the International competition circuit, and among the collection of competition jackets from Pikeur, which is the Diana Riding Jacket has an attractive cut as well as styling that you will surely love to have. With its longer line and single, centre vent, there is certainly no wonder that Pikeur Diana is an ideal jacket for dressage. Fashioned from trans-elastic and fine thread fabric, this jacket is now available in either black or navy, and then brings unequalled comfort when riding.

Ariat is one of the most popular products that can be found here at Trot2. Ariat was actually formed in order to create footwear that is both stylish and comfortable, providing unrivalled support whether on foot or horseback. With the Ariat Grasmere boot, they have already achieve this and lots more. The Grasmere is constructed from a culmination of Ariats own in terms of house developments, as well as the best innovations that are available to equestrian athletes today. Ariat has also built on the need in order to improve upon the classic design of equestrian footwear for the modern age, creating their great range of equestrian footwear in the early nineties.

Hunter boots have also become an important outdoor wear both for men and women as well as children up and down the country. Constant companions for wet walks in the country or even in the town, and for working extreme conditions and festival going. In fact, there are lots of people who have been known to get married in Hunter wellies. Hunter is actually a renowned name in the world of outdoor pursuits. With their history in terms of producing Wellington boots since before the First World War, the Hunter Boots Lts was actually asked to produced a tough boot to withstand the harsh conditions when it comes in the field of battle.

With a fun attitude and no fussy style, there is certainly no wonder that Joules clothing is wonderfully relaxed, which is design in order to be thrown on and could also make you really feel good. Inextricably linked to the British countryside and lifestyle, Joules clothing truly reflects a carefree attitude and then sense of humour. The Joules brand clothing line actually began in 1997, after selling clothes at country shows since 1980. Taking inspiration from the country life of the UK, a great collection of clothing was produced for both men and women, with a range for kids developing from 2005. Whether going our for a ramble in the country or just even pottering in the garden, you will surely feel comfortable in the Joules collection for the season.
