Turquoise Jewelry for those born in December by Amberjewelry

Article published on December 22nd 2011 | Shopping

You are probably familiar with turquoise even if you have the slightest interest in jewelry. This gorgeous stone is in the cheerful and attractive color of blue and green, which ranges from pale to dark. This is exactly what makes Turquoise Jewelry so popular and so much in demand too. We have all recognized that turquoise can be the best gift to anyone during any occasion. This is the right gift for a man or a woman as the colors are sure to suit them and go with their attire. Many of us use the jewelry on a daily basis, as it is indeed a wonderful piece with a lot of color and a lot of appeal. There are necklaces, bracelets, earrings, rings, pendants, bangles, etc when it comes to the stone. Usually Turquoise Jewelry is set in gold, silver or platinum, sterling silver being the most common.

Turquoise as a birth stone â€“

If you are born in the month of December, then you should know that this is your birthstone. The stone goes back a long way, and probably the first signs of the stone were mined in Egypt in 6000 BC. So you can imagine the grand history and the lovely memories that are attached to this stone that had begun to form millions of years ago. You will find beautiful specimens of this Handcrafted Jewelry all across the globe. You can find them in Iran, Afghanistan, Australia, and even the United States. Since this stone was considered to be a sacred one for a long time in history, it is no doubt that Garnet Jewelry or Turquoise is considered to be a great gemstone in the whole expanse of history. It is said to increase kindness, goodness, patience, a positive mood, positive environment, wisdom, etc. It was coveted by kings and queens, and this makes the stone even more appealing. If you have this to be your birthstone you really are lucky. You should surely make this part of your jewelry, and buy it. You can wear it daily or once in awhile as your heart desires.

Turquoise Jewelry can rival other gemstones such as garnet, topaz, jade, emerald, quartz, etc, simply because of its gorgeous and unique color. This indeed is the stone for those who love life and want to make the best out of it
