It seems that more and more people are looking forward to an unique wedding ceremony .You know, that the phenomenon of social homogenization has become more and more serious. While wedding ceremony ,as one of the most significant milestone in your life, should make a difference from others. While when we speak about unique ideas about wedding ceremony ,that may start from unique wedding invitations. What elements would like to employ to show your distinctive taste? That may not be a easy work. Here I â€˜d like to give you some unique ideas about wedding cards.

Invites With Annual Ring

All people would like their romance last forever .So they would like something which symbolize the boundless love and everlasting entanglement. Which thing could not only show an unique and novel touch but also features lucky moral? Wedding invitations with annual ring would be your best choice . The annual ring is thought to be the witness of the suffering of trees. The magical grain record the time that a tree has past. So let the cardboard cut into a round shape, just like the cross section of wood. Ragged brown or grey paint decorate the border, outline the silhouette of tree bark. Tinted enclosing circle lay at the card would tell the vicissitudes. You could use dark paint to sign your personalized information on the center of the card. Italic printing would present a vintage style.

Shoes Shaped Wedding Invitations

The relationship of the bride and groom sometimes just like the affiliation between a pair of shoes. So in order to announce the inextricable link between the new couple ,you could cut your wedding invitations in a pair of shoes ,with ribbon tie at the center ,the two shoes perfectly combine with each other. You could add some other element to the design such as add your personal photo to the card. The recipients would be so surprised at the creative design.

Scroll Wedding Cards

At modern times, folded cards or flat cards has become a fashion trend in wedding invitation. While have you ever thought that hundred years ago, people would prefer those scroll wedding invitations. So letâ€™s enjoy the fun brought by time and space crisscross, choosing scroll invites for the spousal. High quality kraft paper would stress the superior status of the new couple .Delicate fragrance would make you addicted to it. Classical patterns printed on the card would enrich the content. Silky and soft ribbon tie to the card would make the whole design looks gorgeous.

Fragrant Wedding Invitations

Most people would like to spend their brain on the style of wedding cards .They may hardly think about that fragrant card would also make everything different. Simple flower themed wedding invitation after special processing, it would penetrate attractive fragrance. When the recipient open the envelope , they would be quite excited at the innovative idea.
