When it comes to jeans, you can wear them for party as well as for casual hang out with your friends. They serve as a universal outfit. Also, you don't need to wash it every week; you can wash it once a month. It gives a casual and funky look to your attire.

There are various types of jeans for men that you can adorn to don a distinct look. Also, there are some amazing patterns of jeans for ladies that allow them to boast a chic appearance.

Among several types of jeans some of them include:

### Straight cut

The fringe of the legs of these jeans is constant from hips to the toe. If you have a perfect masculine physique then it will surely suit your personality. Also, you can pair this jean with a T-shirt or shirt to don a chic and classy appearance. Those who love to wear jeans with a wider bottom will not find much appealing.

### Flare cut

These kinds of jeans are similar to boot cut jeans, but are a little wider at the bottom. The flare cut jeans works for any occasions. Be it a casual party or dinner, it will surely do the job.

### Boot cut

It is some what similar to flare cut jeans. It is tight at the high, but from knee to the edge it is a bit wider. These boot cut jeans give you a charming look if donned with bright T-shirts.

### Baggy jeans

These jeans are mostly worn by men and are much comfortable to don. Also, these are known as ballon jeans, because of their baggy shape. It gives much space for your legs to breath. You can sport a funky and chic appearance by pairing it with a cool bright T-shirt.

### Bell bottom

This is a trend of jeans which had started in the early 70's in India. If you notice the trousers of Amitabh Bachchan, Rishi Kapoor and other actors in old movies, you'll find this kind of bell bottom jeans. Though nowadays, you'll not find it much, but they are a perfect fitting for a casual hang out with friends.

### Skinny jeans

These are also known as tight fit jeans that give an edgy look to your personality. It gives a stunning look to those who are tall and looks great when adorned with high heels.

So, now you know which jeans will suit your personality. Just go ahead and buy those jeans for the upcoming party! There are several online shopping portals that offer men jeans as well as ladies

jeans.
