Timothy Christopher Humphreys - an Inspirational Icon!

by Mickilecook

Article published on August 3rd 2012 | Society

Born in Queensland Australia, Timothy Christopher Humphreys is a successful businessman. This young man was born to a farming family. They lived their livelihood happily with what they had. Timothy had an interest to music in his childhood and he learned to play guitar.

When he grew up his talents this arena grew along with him which made him a great guitar player today. But his life was not kept apart for music and fun. He had strong determinations and goals in his life. He always paid keen importance in developing his goals. These strong determination and hard work lifted him to the position and privilege which he enjoys today. This 36 years old gentleman runs a leading business today. He began his professional life with a business in buying and selling Boats in Goldcast. From there he began to grow each day and taste new levels of success.

Being successful and handling profits never bring down his attitude. Born to a strong Catholic Family, he was taught good lessons in the childhood itself. He kept this as his motto to success. He was a very religious person and hence values the sorrow of the poor and destitute. Along with his busy schedule and business meetings he never failed to find time for social activities. He always spend a lot of time and money in helping the refuges around the world. He played a notable role in serving the afganee refuges.

When on one side, this businessman plays the role of a philanthropist, on the other side there is a playful young mind. He never used to keep part his passions and hobbies through his busy days. He is a good golf player. He also has experimented and proved his proficiency in football also.

With his life, so successful in all fields like business, social works, music and games, he himself showcases an inspirational icon, whom each person can follow.
