HP Pavilion dm4-3090se Beats Edition by Theodore Sumrall

Article published on May 1st 2012 | Software

Hewlett Packard is an American Information Technology firm, whose headquarter is located in California and it is well known as HP. HP offer various services and electronic devices. It is one of the leading manufacturers of Personal Computers and Laptops.

Hewlett Packard has launched various laptops and Personal computer in its series of HP Pavilion. Now, again it has come up with new and impressive looking laptop HP Pavilion dm4-3090se Beats Edition. HP Pavilion dm4-3090se Beats Edition is 14 inches laptop, which has a sharp and impressive black color look. It has hybrid drive and offers a high screen resolution for display.

HP Pavilion dm4-3090se Beats Edition offers fast performance and an impressive sleek design. For fast performance, it is powered by Intel i5 Processor and one cannot doubt in its audio quality, since it the laptop comes with Beats audio.

HP Pavilion dm4-3090se Beats Edition has an impressive sleek design. It has bright red beats audio logo, which is located at the middle of the aluminum back lid. HP dm4-3090se has a black keyboard deck with glossy black keys. The keyboard has island style feature, which is excellent for typing and avoiding typos. Typing on this laptop wonâ€™t be a big deal even in dark, as its keyboard has red back lighting which makes the keys completely visible even in the absence of light.

Laptop has dimensions of 13.3x8.9x1.3 inches which weighs about 4.4 pounds. In terms of size and weight, we can say that it is an average laptop. Laptop offers smooth and frictionless touch pad with is 3.4x1.7 inches in dimension. The touch pad is enabled with multi touch gesture, making it easier to operate the laptop with it.

The high end Windows laptop starts with $1,049. However the HP Pavilion dm4-3090se Beats Edition, which includes both Beats Audio and Backlit keyboard, costs only $899. The laptop looks just similar as high end Windows laptops.

HP Pavilion dm4-3090se Beats Edition comes with hybrid hard drive, which offers a storage capacity of 500 GB and an additional of 20 GB as Solid State Drive from program installation. However, before purchasing the laptop remember HPâ€™s Beats edition Envy 14, just comes at an extra price of $150, which includes similar 6 GB of RAM memory and an Intel Core i5 processor, but bigger size hard drive of 740 GB with decent AMD graphics. For data transfer HP Pavilion dm4-3090se Beats Edition has two USB 2.0 port and two USB 3.0 port, along with SD card reader.
