Play AVI files on Samsung Galaxy Tab 10.1 freely with AVI to Samsung Galaxy Tab 10.1 Converter mac by Nadia

Article published on December 1st 2011 | Software

I recently bought a Samsung Galaxy Tab 10.1 tablet but I'm finding it really hard to convert my videos on my computer into Tab 10.1 format does anyone know of a program that will do it I've lots of them and they convert into something but when I add to it tells me it is not playable on Tab 10.1 video. There are so many choices softwares out there, it is so frustrating and confusing to chose one. Please Help!

Well, all the problem will have an happy ending with iOrgsoft Mac AVI to Samsung Galaxy Tab 10.1 Converter which is one versatile and easy-to-use tool that can convert any AVI files to MP4/H.264 etc for playback on Samsung Galaxy Tab 10.1 freely with fast conversion speed and best output quality on mac(Snow Leopard, Lion included), Besides, the powerful software also allows to convert other popular video files like MPG, MTS, M2TS, VOB, FLV, AVCHD, M4V, RMVB, WMV, ASF, etc to MP4/H.264 videos for playback on Samsung Galaxy Tab 10.1/8.9/7.7/7.0 etc like convert AVI to Samsung Galaxy Tab 8.9, AVI to Samsung Galaxy Tab 7.7, AVI to Samsung Galaxy Tab 7.0 freely and fastly.

In fact, i have tried the software and found the conversion quality very amazing. I download the free trial and found it's very easy to use. Meanwhile, the powerful AVI to Samsung Galaxy Tab 10.1 Converter for Mac software also embeds some fantanstic editing functions like capture, trim/clip, crop/effect, adjust video brightness contrast, audio volume and provide different video effects, merge videos into one file and capture your favorite movie screenshots and save them as jpeg or bmp format etc to make your own customized videos. Just go get the simple yet easy-to-use software, you may find that AVI to Samsung Galaxy Tab 10.1 video conversion so simple with only several clicks.

tep by step guide to help you convert/edit AVI to Samsung Galaxy Tab 10.1 videos efficiently on mac lion.

1. Free download the AVI to Samsung Galaxy Tab 10.1 converter for mac lion and install it in your computer.You may see the main interface.
