Article published on January 19th 2012 | Software

Time is Money. How often have we heard that clichÃ©?

Phrases become clichÃ©s because they represent simple truths, in this case, that a lawyer can only earn as much as gets billed to clients.

So why do many lawyers insist on trying to remember to handwrite time slips on bits of paper that get lost in the wash?

At Easy Soft,weâ€™re willing to bet that if you purchase our time and billing software for attorneys, youâ€™ notice an improvement in your bottom line.If not, you have our 30-day, unconditional, money-back guarantee on this law office billing software.

Take a moment to get an overview of â€œEasy TimeBillâ€• law office billing software, watch a short video, download a free trial, and go ahead and buy the program. Questions before buying? Just call us at Easy Soft at 800-905-7638 and ask whatever questions you may have about our time and billing software for attorneys.

The screens for the Easy Soft time and billing software for attorneys are simple, fill-in fields that include client name, matter, work description, billing rate, and a start-stop clock or manual time entry. If you are sitting at your desk, simply start this billing software for attorneys, make less than one minute of entries, click on the clock and youâ€™re billing. You can also make manual entries, such as for expenses. This law office billing software was designed specifically for attorneys and law office staff.

At the end of the month, all you have to do is print and mail your invoices. This Billing Software for Attorneys has already computed the billable charge, totaled all time and expense charges, and compiled the same matters into individual bills.

We know that changing a routine approach to billing is going to take some persuading and some support, and thatâ€™s why weâ€™re here. So, instead of rummaging through your pockets and purses fo last monthâ€™s receipts, why not save yourself some real money by investing in Easy Softâ€™s Attorney Billing Software â€“ today. After all, time is a wastinâ€™.
