When is Best Time for You - Know with 2012 Horoscope by Mukesh Kumar

Article published on February 10th 2012 | Spirituality

2012 Horoscope has lot to offer! It will be a year of great success and new happiness. Year 2012 has begun with the return of the Sun indicating a prospective year ahead. Planetary alliances are already on and this speaks of a tremendous capacity to grow in any aspect of life. Let's share the Birthday Horoscope, Love Horoscope and the Career Horoscope for this year for all the zodiac signs.

Aries (March 21st to April 20th): Love life is quite favourable for all the Arians this year. Second half would be the best time to get married. As regards finance, profits and stability can be achieved with the help of the positive influence from Mars, Mercury and Jupiter. Food taken should be nutritious; better to avoid outside ones.

Taurus (April 20th to May 21st): On the career front, the last two quarters of 2012 are favourable for both business and jobs. Positions of Uranus, Venus and Jupiter will help to achieve stability and smoothness in love relationships. Taurians will get a lot of time to spend with their partners. They will be lucky enough on the third as well as the fourth quarter of the year as far as finance is concerned. They can also land up with good business deals and partnerships. They should be careful about the food they intake as second half of this year needs precautionary measures for some stomach problems.

Gemini (May 22nd to June 21st): Love relationships to grow stronger this year. This is a perfect time to get settled. Relations will also be supportive of friends as well as relatives. This year seems to be productive for the Gemini as regards the business and career front. The second half of 2012 can cause some digestive problems; it is better to be alert regarding food intake.

Cancer (June 22nd to July 23rd): Worklife will not be very pleasant for the Cancerians during the first part of the year. Obstacles and challenges will be there. However Jupiter as well as Sun will bring in profits and help you face these challenges with an optimistic attitude. First half of the year will be a little problematic for your love life, misunderstandings are likely to occur but everything will fall into place. Financial gains would be average. There can be several lucrative options for investments. Indigestion problems, eye illness, intestinal disorders may happen during this year.

Leo (July 24th to August 23rd): Career is progressive this year due the profitable positions of Uranus and Saturn. Love life may not be so favourable during the second half of the year. So it is essential that the Leos should take matured and considerate decisions regarding their affairs. Jupiter and Sun will provide enormous savings opportunities to the Leos. Allergies, digestive problems, immunity, fatigue etc. are some of the health problems they may face.

Virgo (August 24rd to September 23rd): Career will demand an enormous hard work and patience from the Virgos. Month of June can be a lucky period to start off with new business. Year 2012 is not very favourable for the Virgos as regards love and other relationships. Misunderstandings can take place. They need to give a little time to everything! First half of the year can cause problems in financial matters so be cautious about business deals. Tensions, stress, irritation, depression, fatigue seem to be the common health problems for the Virgos this year.
