Article published on January 27th 2012 | Sports

Thailand is to a certain extent acknowledged and called as the land of smiles! But for all the naval life admirers, it is to be sure the land of marine life! If you are one of those die hard fans of diving and liveaboards, then for you Thailand is the place to be. The country offers several flamboyant and lurid options for witnessing the stunning and exquisite marine life that the country is bestowed with.

Experience the escapade and exhilaration of diving in the unsurpassed sites of the Andaman Sea. Thailand will introduce you to the gorgeousness and majesty above and below the water line be it with regard to Phuket Liveaboards & Similan Islands Liveaboards.

The Similan Islands are Thailandâ€™s leading dive destination and are one of the best places to enjoy the spectacular marine life and corals of the Andaman Sea. The Similans are only reachable in the months of November and April when the weather conditions are good, the seas are tranquil and the visibility is good.

The Similan Islands are domicile to a number of eminent dive sites including Elephant Head Rock, Christmas Point, Breakfast Bend, and East and West of Eden and because the distance from Phuket or Khao Lak are best relished and savored by a liveaboard which is proffered by Similan Islands Liveaboards. Both Phuket and Khao Lak are tune-up by plentiful liveaboard business houses who head out to the park on three, four or five-night expeditions or safaris.

Speed boat day trips are also probable if your time is meager but to fully be pleased with the Similans, it is paramount to take oneâ€™s time.

Because of the comparative dearth of current, adequate visibility and temperate water, divers of all certification levels can have the benefit of what the Similans have to proffer. Thus, there should not be any concern about the degree of experience that one possesses pertaining diving or sailing in this wonderful place.

Similian islands are exceedingly illustrious and distinguished for the safe haven and are accepted as one of the finest and absolute dive spots in Thailand. The Islands afford a large assortment of diving environment and this has shown the way to the escalating attractiveness of the place. It has also been observed that the number of yearly visitors has kept on mounting year after year and this adds to the rationale why it is one of the privileged retreat spot.

Talking about Phuket liveaboard safaris, these are undeniably the must for submarine lovers. They allow you to discern the best dive spots devoid of the rush of a daytrip, and take pleasure in the life onboard with your chum divers. In this day and age, the dive boats are very large and contented and tender you all facilities to amuse yourself during the voyages among each dive place.

So, what are you thinking about and waiting for? The liveaboard experience that you have been yearning for since long; will find solace and comfort: â€œonly in Thailandâ€•. Come and visit the place for the amazing and enthralling experience that you will remember and rejoice all your life.
