Lifting the Football Trophy a Dream Come True by [Julia Roger](#)

Article published on June 19th 2012 | [Sports](#)

Award ceremonies are very common. In fact, it is an ancient concept to congratulate a person on his/her success in some particular field. In the field of sports, trophies are awarded to winners. However, small mementoes are also awarded to losers for their participation. But, it always feels special to lift the winner's trophy. It's a great achievement and obviously is something special to cheer about.

Football is one of the most popular sports on this planet. As a result, it is one such game which requires only a rubber (leather coated) ball to play and is equally popular among the rich as well poor people of the society. And it feels like heaven when lifting a football trophy after winning a tight soccer match. It generates enormous joy when your team gives a goal against the opposition. There is a lot of tension and nervous faces to watch for while soccer games commence. Some of the most renowned international soccer clubs in this world are FC Barcelona, AC Milan, Inter Milan, Real Madrid, Liverpool FC, Manchester United, Chelsea, Arsenal, Bayern Munich, Mohun Bagan FC, East Bengal FC, Boca Juniors, and Tottenham Hotspur F.C etc. All these clubs have won several championship football trophies and enjoy large number of fans and followers throughout the world.

What happens when your office arranges for a soccer match between employees and employers? It arouses a lot of curiosity as well excitement. However, it is necessary to lookout for suitable football trophies for awarding the winner. Also, medallions and mementoes need to be purchased properly. These items need to be awarded to every single player who has participated in the sport. Runners up trophy will surely be less expensive and smaller in size. All these items are available in stores that sell sports goods and merchandises. They are also available widely through the internet.
