Cricket bowling machineis of course a good machine to give a professional shape up for the players while extending confidence up to the mark. Bangladesh's captain Mushfiqur Rahim is now very stern to see winning in each game against Pakistan as he edged that his team is now get rid of the mentality of aiming for respectable losses. They have been practicing with cricket bowling machine and their recent performance also quite remarkable. With this potential view, the Bangladesh cricket team is now looking ahead for all wins.

The Bangladesh's captain Mr. Mushfiqur said with regard to this, "I think Bangladesh cricket has crossed that barrier where we aim for a respectable loss against a big team. That mentality is not there within this group of players. We play to win every game against whichever team. They're the favorites no doubt but if we play our best cricket, it won't be easy to beat us in any of the formats. West Indies were favorites against us as we don't usually play Twenty20s. At the end of the day, we bowled well and despite a hiccup in batting, we finished as winners. It will be more difficult tomorrow as Pakistan are experienced and in form, but they have to start from scratch to beat us."

Mentioning about Pakistan, Mr Mushfiqur further said, "They have one of the best bowling attacks in ODIs, so playing against them would be difficult. In our last series, we couldn't utilise the wickets. It would be necessary for us to take responsibility in this series. The team that'll take most out of the pitches, they'll get the desired results. Bangladesh upset Pakistan during the 1999 World Cup but have not beaten them. Bangladesh were never at their best collectively against Pakistan in the past. They have five to six match-winners so it is hard to beat a side that strong even if you give your 100%. But they are human and they could make mistakes and let us into games."

Mr Mushfiqur denied the dominance of Pakistan team as of now Bangladesh team has good level of confidence to fight well even the team has made up their mind to win all matches against Pakistan. As Mushfiqur quoted that Pakistan were the favorites to win their Twenty20 match against Bangladesh in Mirpur but they did not let it happen and at the same way they fought well against West Indies they beat them in the Twenty20. Hence, it is observed that the matches between Bangladesh and Pakistan would be most remarkable as both the teams have to prove their potential game play.
