Attaining a considerable victory over West Indies in the first one-dayer, the Indian stand-in captain Virender Sehwag is not looking much happy as he has edged that there would be no excuse to anybody who will not be scoring runs. It is now obvious that Indian team needs good practice with cricket bowling machine and it can make a good sense of development of technical quality in batting. However, the stand-in skipper is not denying the importance of cricket bowling machine and he noted that cricket bowling machine can help lot to improve technical aspects of batting style. Chasing 212, as West Indies scored total in their first innings of the day, India's batting order considerably collapsed but Rohit Sharma, who made 72 and supported home team to have faith still the last ball of the match as it was seen India's compulsory defeat in the middle of the game.

Sehwag said with regard to the winning in the match, "In India you hardly see the team tottering at 59 for 5. Hopefully we will come up with strong batting performances in the next games. We have to learn from our mistakes. There were two good balls. The ball came in and we [Virat Kohli and I] played early and made mistakes. I was critical of the soft dismissals of Parthiv Patel, Gautam Gambhir and Suresh Raina, which left us on 59 for 5 in the 12th over. There were three soft dismissals of Parthiv Patel, Gautam Gambhir and Suresh Raina. There is no excuse for anybody not scoring runs. We have to back our batting. We have some exciting youngsters playing for last three four years. But I am happy with bowling and fielding."

Sehwag further said with regard to this, "When you lose five quick wickets, it's difficult to come back. I praise Rohit Sharma and Jadeja as their partnership took us there. After that Vinay and Rohit had good partnerships. The way Rohit, Jadeja and Vinay batted was great to see. The previous ODI series in India, against England, had poor attendances at the grounds but the match at the Barabati Stadium had a strong crowd. It feels great when people come to watch a game. We hope people will come and support us in the next matches. I love to play in smaller towns. People give so much respect and love. They bring all kinds of food and stuff to you to make sure you are happy."
