Indian standalone captain Virender Sehwag has made spectacular history at Indore in the 4th one day international match scoring unbelievable 219 record breaking runs in his name against West Indies on Thursday. He showed his unbelievable performance as many critics edged that could be happened only because of cricket bowling machine. Cricket bowling machine provides him to be the perfect in all types of shots to play without hesitation. Sehwag slammed all his rumor and came out with outstanding batting performance which made him a historical figure in one day international cricket. His performance in yesterday's match shuts all negatives comments against him for his recent downturn form.

As Sachin Tendulkar said with regard to Sehwag's 219 runs, "I am very happy for Viru. It is even more satisfying that an Indian has broken my record."

Yuvraj Singh said, "I say it again! I never saw Sir Viv bat but I've seen Sehwag bat! What a player, 219 in a one day game is next to impossible!"

Kevin Pietersen  twitted, "If you are a cricket fan, please switch your TV's on right now and watch a genius bat... Sehwag destroying the WI... World record coming..."

Australia's David Warner said, "Wow, Test match tomorrow but am still up watching Virender Sehwag score, hopefully, 200. Unreal, and he does [get the] highest ever. Well done mate."

Sehwag was seemed very calm and comfortable after the match winning performance and he said, "I was telling myself and Gautam Gambhir that if we batted with a little patience, we could score a big one here," Sehwag told NEO Cricket in between innings. "The wicket is good to bat on, the outfield is fantastic and the boundaries are 50 yards. If we just show some patience and look to bat 30 overs, we can score some runs. But I was not expecting 200. I was playing my shots throughout the innings. I thought it when I was batting in the batting Powerplay and thought. If I just bat this Powerplay, maybe I'll cross that 200-mark. When Sammy dropped the catch I thought God was with me and was telling me, 'You just bat till the 45th or 46th over and get your 200'."

Sehwag further said, "In the last match I said our top order was not contributing and it was my job and the other guys job to give a good start to the team. The moment you give this kind of start, you end up with 400. I'm very tired because I'm 33-years-old. I'm an old man and my back and glutes are tight. I'll go and take an ice bath and get back on the field."
