Drive and Get Rewards through the Drive Save Method by [Claire Hayse](#)

Article published on June 25th 2012 | [Technology](#)

You probably have heard about driving your personal car and getting rewards for it. The believed of that alone has produced many people operating to companies that supply the drive save plan. In this system, you'll be required by the company to drive your car or their vehicle if you do not have one with the bumper sticker on it.

To qualify for this system, first you must meet the needs of companies. The age requirement is 18 years old and above. You ought to have your personal valid driver's license, impressive driving record and you ought to agree to drive a minimum mileage each and every month. You also must be sure you have the car parked in places exactly where the ads can get a great deal of exposure particularly in the city center or elsewhere there are lots of people who can see it.

You may wonder what you can get out of this save and drive system. Essentially, the types of rewards that you could get will rely on numerous factors such as your driving patterns at the same time as your lifestyle, the size of the automobile you might have, the size of the bumper sticker to become placed on your auto, the size of the city you're living in and also the average distance you're driving just about every month.

Truck owners can earn more than those which are driving normal sized automobile. Given that trucks are bigger, there is a lot space to place the stickers and have it observed clearly even from afar. Far better and higher rewards await them. But typical sized car can also earn a very good amount of rewards.

There are lots of varieties of rewards that you can get and earn out of the drive and save cars plan. As an example, you get a raffle to meet your preferred celebrity, after-hour shopping, exclusive clothing line and discounts for VIPs. If you wish to obtain these rewards, then it is best to approach the nearest company inside your area and tell them that you're quite substantially prepared to avail of their rewards simply by putting their bumper stickers on your vehicle.
