HTC Smartphone Launches with Free Wi-Fi Technology by Harry Smith

Article published on January 19th 2012 | Technology

HTC is always in the limelight among the mobile lovers and the international mobile market. Now HTC with joint collaboration of Spectrum Interactive declares a free two month trial of Wi-Fi amongst the 26 famous hotspots of London. Moreover not only in HTC, the free service is applicable in all types of hand gadgets. The download momentum offered under this scheme is 1MB per second and 0.5MB upload momentum by means of recommended speed of 14.4 Mbps. This free trial is crafted encourage HTC and Spectrum Interactive but to capture the actual picture of the usage of data with the help of this both the companies may calculate that how much and where the Wi-Fi is more required also on which gadgets.

According to the global director of HTC, that this is just a trial and with this small start we would get to know so many things and after that this trial would be implemented in all over the world. Right now Spectrum Interactive is running 1500 hottest locations in London among them are the British Airway lounges and Premier inn. These are fee paying spots and providing them the fast and great internet connection to the people. The chairman of Spectrum Interactive Simon Alberga said that, with this free launching we can evaluate that the people desire of streaming. Also we may come to know that which gadgets are mostly used by the people and moreover Wi-Fi is being utilized for which purpose.

In addition to all this what is the class of the user taking benefits of such schemes and what are the timing in which this scheme is utilized especially from the workers to the tourists. This service was also tested with HTC sensation xe deals within Oxford Circus and was joined with no password. So it was observed that within 10 seconds the internet momentum was very fast than the current Wi-Fi experience. The United Kingdom hottest spots owing Spectrum phone boxes are: Marylebone, Westminster, oxford Street, Bloomsbury, Knightsbridge, Lancaster Gate, Tottenham Court Road, South Kensington, Mayfair, Bays water, Victoria and Sloane Square.
