IBM Thinkpad X300: Think beyond laptops by Wenddymadden

Article published on January 19th 2012 | Technology

IBM Thinkpad X300 is a polished piece that possesses great efficiency and elegancy to offer you incredible experience of latest technology and features. It comes with pretty attractive dimension of 12.4 x 9.1 x 0.73-0.92 inches with portable weight of 3.32lbs & 2.93lbs with 6-cell battery & 3-cell battery respectively. Its internal chassis & roll cage are made-up of carbon-fiber & glass-fiber that give durability and lightness to its body. At base of its motherboard magnesium alloy is use to provide extra protection from flexing. It has been sported with Window XP or Window Vista operating system and 1.20GHz Intel Core 2Duo L7100 processor.

This compact Thinkpad has been equipped with 13.3inches LED WXGA widescreen having resolution of 1440x900pixels that make its top cover thinner. It has got fine matte finish that adds right amount of comfort for web-browsing. Its 1.3megapixel webcam & noise cancelling microphone (just above the display screen) facilitate your video chit-chat upto a mark level. Now, excite your touch senses through its sensitive touchpad having advanced competence fingerprint reader and stereo speakers. IBM Thinkpad X300 offers you wireless connectivity of Intel 4965AGN, Bluetooth, Verizon WWAN, Intel UWB & GPS to extend the horizon of your approaches. It has got 3 USB port support, AC adapter, thinnest 7mm DVD burner on one side, monitor out port, Headphone/line-in microphone/line-out microphone/line-in gigabit Ethernet.

IBM Thinkpad X300 has been powered by 3-cell or 6-cell Li-ion extended life battery that promises to deliver operating time upto 4hours to 6.5hours respectively. However, 4hours are not sufficient for the people who have long setting work with their laptops. It has got enough spacious 2GB memory that can be configurable upto 4GB and allows you to hang out with smart number of data. IBM Thinkpad X300 is the compact package of competent technical features that not only simplifies your works but also offers you great fun.www.naaptol.com opens the extensive and exclusive online market where you can compare the features and price of various products from different brands and choose the best one for you.
