There is a great deal for the Verizon customers who are searching for a new gadget.HTC Rezound is available for just $79 so take the advantage of this magnificent offer as early as possible. In spite of local Verizon you may purchase HTC Rezound through Amazon wireless. HTC Rezound is the best HTC smart phone available in the market and would be provided to you $120 less as its original price is $199. This smart phone carries very exciting specs when you observe the phone very closely. It has a very fast stock processor of 1.5 GHz dual core Snapdragon S3 CPU.

It also has an Adreno 220 GPU and 1GB of Random Access Memory which helps you to play the game very smoothly. The HTC Rezound has a 720p resolution and is the first US carrier phone. Also it has a spectacular 4.3â€• 1280x720 resolutions which is quite interesting and appreciable. This is not a light weight phone as it has a thickness of 13.7mm and weighs 5.78 ounces means 164g. In spite of heavy weight the phone adjusts very comfortably into your hand. It has curved edge and spongy elastic on the back of the mobile which helps you to hold the phone tightly without giving you a feeling of slipping out of the hand.

The smart phone also features a red trim and spongy buttons that glow with a soft red light. The layout of the buttons is similar to the preceding HTC gadgets. On the lower portion of the phone there is a micro USB and well suited MHL port while the upper portion carries a secondary noise cancelling mic. On the top of the gadget you would find a 3.5mm headphone jack and the standard power lock button. Moving toward right you would find a volume rocker but there is no shutter button on the Rezound so only rocker got the power of controlling.

The HTC Rezound has an 8 megapixel camera along with an f/2.2; duel Led flash and wide angle lens. It also has a 2 mega pixel front facing camera and has a capability of recording 720pHD video. Moreover it has apps like Skype and Tango through which you may chat with your friends and relatives.
