If you are wondering how to acquire an Australian holiday visa here is a quick guide to Australian visa apply. As a first step you must remember to accumulate all the necessary documents so that the processing time is minimized. Imagine your visa got rejected because the paper work was not on order. To avoid this kind of unexpected and unwanted situation you must seek the help of professional who are experts in Australian visa holiday.

If you are visiting Australia for less than three months then you can opt for ETA or Electronic Travel Visa. This is one of the most advanced and streamlined system of visa authorisation. The entire process has successfully replaced the requirements of stamps or visa labels and also has removed the requirement of application form. The steps to apply for this visa is very simple and easy.

The concerned applicant is required to fill up an online application form. In the form the applicant have to fill their personal details and passport details and pay the required amount. Right after the payment the application is processed instantly and linked to the passport number of the concerned applicant. The applicantâ€™s ETA status is confirmed by email within few minutes. The applicant must remember that if their passport is stolen or misplaced or replaced the applicant is required to re-apply for ETA visa.

If you are planning to visit Australia for more than year, then it is important to opt for Australian 12 month tourist visa that will allow the holder to stay in Australia during this period. This visa is not electronically linked. Applicants are required to submit for this Australian visa holiday along with all the required information and documents. The processing time of this visa generally takes 2-4 weeks. After the visa is granted holders can stay at Australia up to 12 months. With this kind of Australian holiday visa applicant does not require pre-booked outbound flight before entering the country. However, applicant must keep in mind that the passport under which the visa is applied must be old for 12 months or more.
