The Rishikesh hotels have the advantage of providing the facilities that other hotels in other places cannot provide. The first advantage for the Rishikesh hotels is that the scenic beauty of the place is very good and hence the guests get to c mountains rivers outside their window which appeals to the customers. The second advantage for the Rishikesh hotels is that there are thousand of tourists that visit the place daily and the market for the hotels is bound to see increase as the tourism industry is on the high in Rishikesh. The hotels range from the 5 stars hotels to the budget hotels. There are hotels or dharamshala that allow tourists to stay in groups for reduction of cost. The facilities provided by the hotel depend on the prices that the customers are paying. 5 stars hotels have all the facilities ranging from spas to restaurants where as the hotels that charge less have fewer facilities to provide to the customers. No matter the price or the area where the hotel is, Rishikesh hotels are known for the hospitality. The tourists are taken as guests instead of customers and anything that they need is provided to them within a short notice.
