Article published on December 8th 2011 | Travel

When you're looking for a warehouse that does more than just store your inventory, look no further than International Warehouse Group. In addition to having the perfect location for storing all types of goods, International Warehouse Group can meet all your distribution in New York City needs.

When outsourcing your warehousing, you only have to worry about office space, but you will rest easy knowing that your merchandise, equipment and other valuables are housed securely in an International Warehouse Facility. With locations in New York, New Jersey, Florida and California, International Warehouse can meet the needs of any company, with its ability to store all types of goods in a climate and humidity controlled environment.

With over 30 years of experience, International Warehouse Group is dedicated to providing its clients with the highest level of service in the industry. Their knowledgeable staff is capable of problem solving and providing solutions to all types of warehousing, transportation and related services, including delivery. Their goal is to ensure that goods are kept in excellent condition and handled with the utmost care. International Warehouse Group currently enjoys relationships with some of the most well-known manufacturers, distributors and major retailers in the world. Their unparalleled customer service and expertise has earned them a reputation of being one of the most trusted warehousing facilities in the United States.

In addition to their warehousing services, all your distribution needs can be met out of the same convenient location. International Warehouse Group strives to meet your distribution in New York City needs with their convenient Melville location, located right near the Long Island Expressway. Their distribution services include transferring cargo, order picking placing items on pallets, shrink wrapping, labeling and trucking anywhere within the 48 contiguous states.

International Warehouse Group has a fleet of trucks that promise to deliver your goods in the same condition they left your warehouse and their warehouse facility. Their competitive distribution rates compliment their affordable warehouse services, making it a "win-win" for all their clients to take advantage of their distribution in New York City capabilities in addition to their expert warehousing services. Their experienced drivers are standing by to carry all types of goods anywhere in the country in a timely and efficient manner. Their drivers are on call 24/7 whenever you need to take advantages of their freight services. This is convenient for deliveries to retail locations, other distribution centers and brokerage locations. If you choose, you can even lease vehicles through International Warehouse Group. They have trucks available from 28 feet, all the way up to 53 ft. tractor trailers. For smaller, more cost effective shipments, International Warehouse Group can also make arrangements through U.P.S. or Federal Express or even the U.S. Postal Service to keep costs in line.
