Attending a Jack the Ripper Tour London by Julia Roger

Article published on January 18th 2012 | Travel

Jack the Ripper was a very famous murderer who was at large in 1888. The story of Jack the Ripper has lived on as many people are fascinated by these awful murders that took place. The main intrigue of the Jack the Ripper murders is that the culprit was never caught and the name Jack the Ripper was given to unidentified culprit. Due to the intrigue and mystery surrounding the Jack the Ripper murders there are now companies who provide Jack the Ripper tour London services. A Jack the Ripper tour of London will provide you with a true insight into what life was like in 1888 and take you to the places where the murders took place.

The Jack the Ripper tour London takes place on the streets of East End London where the killer was at large. Jack the Ripper chose his victims carefully and most were thought to be female prostitutes from the slums. A Jack the Ripper walk is truly atmospheric and will really take you back in time away from the safety of the 21st century. A Jack the Ripper walk will guide you around the maze of narrow alleyways and old streets where the murders took place. You will get to see the intricate street patterns, learn about the appalling social conditions of that time, the awful crime rates and how the Victorian police had a challenge on their hands trying to catch Jack the Ripper. A good Jack the Ripper tour London will include you being able to look at original photographs of how the streets looked in 1888 to see how easy it was for Jack never to be spotted committing his awful crimes.

People travel from all over the world to come on a Jack the Ripper tour London and there are many conferences and events held worldwide for dedicated followers of this awful murderer. Good Jack the Ripper walk providers will have tour guides who are extremely knowledge on the story of Jack the Ripper and many will have published books on the topic about their extensive research. Having tour guides that are so passionate about this subject really helps to make the Jack the Ripper walk a special experience for all attendees.
