Article published on June 1st 2012 | Travel

Planning for a vacation abroad? You can have a discussion with your flesh and blood to shortlist some of the best holiday destinations in the world for a perfect vacation. If you are one of the travellers who canâ€™t do without wandering in different parts of the globe, itâ€™s time you plan a vacatio in Afghanistan. It may be one of the spots that deserve a last place on your travel itinerary due to its troubled past but it does not stop the keen tourists to book flights to Afghanistan and explore the country.

When we talk about the country, its capital, which is Kabul, strikes our mind. This is because of the reason that the tourist attractions can be found in plenty in the city. As a result, many prefer taking flights to Kabul from London to unite themselves with the charisma of various places of interest.

Kabul, the capital of Afghanistan, has been a crucial trade and cultural center for very long time. The city was torn by the war that took place between the Taliban and the US Troops but you donâ€™t have to lose hope as you can yet take delight in the highlights. It is situated on the banks of Kabul River. If you want to go on board for a thrilling trip, then Kabul is the city that can have you by surprise as there are a plethora of attractions to take your breath away.

If you have made up your mind to be on your expedition to Kabul, you would be able to all the sights of interest in a three-day tour package. However, some people may hold a perception that Kabul is nothing but a plain bed of deserts. This statement is certainly not true as it can be opposed to. It is loaded with several different attractions that belong to the olden times and still reveal the innermost hidden tales.

If you are a history lover, you can grab Kabul flights to visit the Afghan National Museum. Also known as the Kabul Museum, it proudly boasts of its 2,500 artefacts. They comprise treasures of ivory and antiques from Buddhism and Islam.

How about feeling the legacy laid by the First Mughal Emperor, Babur? You can grab cheap flights to Kabul to head to the Mausoleum of Emperor Babur. You can also visit the Baburâ€™s Gardens. Paying a visit to the Afghan National Gallery would surely entice you as it exhibits more than thousands distinguished paintings.
