Book Your Corbett Safari Ride in Advance by Rahul Ranjan

Article published on February 7th 2012 | Travel

Jim Corbett National Park is one of the best places for the wild life, nature and the adventure lovers. Tourists from various parts of the world as well as India visit this national park to explore it and enjoy their vacation in different ways. There are three ways by which you can explore the park nicely. Though you may come to Jim Corbett by your own vehicle also but inside the park entry of the private vehicle is not allowed. For general people Canter Safari is also enjoyable. For some people, who want to explore the park in a separate group they may take Jeep Safari and for the wild life and adventure lovers, elephant safari is the best option.

Elephant Safari in Corbett is one of the most important attractions for the tourists who love adventure. You will get the opportunity to sit on the back of the elephant alone or you may accommodate four people and start your journey of exploring the Corbett along with expert Mahout. Along with the guidance of Mahout, you can go deep into the forest to observe the wild animals in their natural habitats very closely.

Especially for hard core wild life lovers, Corbett Tiger Reserve has also a long elephant safari. In this ride you have to stay in the forest lodges which are located inside the Corbett National Park along with the Elephant Safari. In this ride any of the adventure or wild life lovers will enjoy just double. For having complete enjoyment, you should book your trip in advance.

You can also enjoy the richness of fauna and flora with the help of Jeep Safari in Corbett. Jeep Safari in Corbett is the best safari ride for wild life photographers as well as for adventure lovers. Jeep Safari in Corbett helps you to explore the Corbett Jungle and to observe the life of wild animals very closely in very less time. It is the mechanized way to explore the park, so it consumes very less time. With the help of Jeep Safaris, wild life enthusiasts get the opportunity to cover large distance in a day. In Jeep Safari there is an open jeep which allows you to view various animals all around you. Jeep safari allows the animal watchers an ample security with the wild animals.

It is advisable that you should book your trip for Elephant Safari in Corbett or Corbett Jeep Safari in advance in order to avoid any type of discomfort.
