Article published on June 12th 2012 | Travel

New Jersey being one of the prominent states of the U.S is a home to more than 8,821,155 people according to the statistics and estimation of year 2011. It is the eleventh most populous and densely populated state among the 50 United States of America. Many of the areas of New Jersey are among the New York City metropolitan areas. The area of New Jersey was inhabited by the Native Americans for more than 2800 years. The state of New Jersey is bordered on the North by New York and on the North East by Philadelphia. New Jersey is ethnically and religiously diverse state, being a home to people belonging to all races and religions of the world.

The state of New Jersey has a wide network of roads that is spread across the state connecting it with all neighboring states via motorways and highways. The transportation facilities include taxis, airport shuttle services, coaches, buses, vans and most of all limousines. The limos reservations in NJ can be done at budget friendly prices as the transportation firms in the state offer special services for private hires as well as special events that include night on the town tours, proms, weddings, corporate transfers, sporting events and many more.

Corporate limo booking

Hiring chauffeur driven limousines for corporate events has been a trend since long. The businessmen as well as wealthy people hire chauffeured vehicles for different events to impress their business partners or clients. There are a wide number of limousine hire companies in the state of New Jersey offering specialized corporate limo services. They have latest models of limousines that include sedans, MPVs, SUVs, stretched limos, luxury vans and limo buses. They cover all kinds of corporate events for individuals and groups which include road shows, business meetings, conferences, exhibitions, seminars or any kind of corporate occasions and events.

Limo Hire for sports events

Sports enthusiast and fans around the U.S always make sure that they get the maximum out of the big awaited event. May it be soccer, baseball, volleyball or just about any kind of sporting event, people make special arrangements before the event which include dressing, transportation, food and all. Most of the sports enthusiasts like to hire limousines in order to avoid any kind of hassle related to parking and traffic on the sports events. A chauffeur driven limousine lets them get the maximum out of their favorite sporting event as the chauffeur drops off and picks them up right from the main gate of sports arena.

Airport transfers car hire

The businessmen as well as corporate travelers hire limousine vehicles for getting to and from the airports. A chauffeur driven limousines provides them with the ease and comfort of getting to the airport and catching their flights in time. Simultaneously they donâ€™t have to look for an airport cab or car hire services when they arrive at the airport if they have a pre booked limousine. A chauffeur awaits them at the arrivals lounge and helps them with the luggage to the car and then to their private residence or hotel comfortably and perfectly.
