Article published on January 6th 2012 | Travel

The city of Sydney located on the eastern coasts of Australia is a favorite holiday retreat for art lovers, history

enthusiasts and beauty admirers. The various art galleries, museums, Gardens and parks dotting Sydneyâ€™s territory are a

testimony to this fact. The Art Gallery of New South Wales, Museum of Contemporary Art, The Brett Whiteley Studio, Museum of

Sydney, The Powerhouse Museum, Chinese Garden of Friendship, The Royal Botanic Gardens, the Hyde Park and The Royal National

Parks are the most visited tourist destinations of the city. Flights to Sydney are available on a daily basis to maximize the

inflow of tourists to these destinations.The Art Gallery of New South Wales is the most well-known art gallery of Sydney and

the fourth largest in Australia. The gallery exhibits Australian European and Asian art forms and its general exhibition

space is open for the public free of cost. Again the Museum of Contemporary Art is a center of contemporary visual arts.

Opened in 1991 its new extension called the Mordant Wing is due to be inaugurated in March 2012. Also The Brett Whiteley

Studio, formerly the home and workplace of world renowned Australian artist Brett Whiteley (1939â€“92) attracts many visitors.

After his demise the building was turned into a museum and at present is managed by the Art Gallery of New South Whales. The

cheap flights to Sydney provide ample scope to its travelers to visit these art galleries.The Museum of Sydney portrays the

cityâ€™s colonial, convict and contemporary eras. Objects, pictures and new digital media techniques describe the evolution of

Sydney since 1788. The Powerhouse Museum is a part of Sydneyâ€™s Museum of Applied Arts and Sciences. The science museum

showcases diverse collections ranging from Decorative arts, Science, Costume to Steam engines. The cheap tickets to Sydney

allow even the economy class travelers to explore these museums to the fullest.Situated in Darling Harbour and near to

Chinatown, The Chinese Garden of Friendship depicts the Chinese heritage and culture. It is a replica of the private gardens

of the Ming Dynasty. The Royal Botanic Gardens is central to the major botanical gardens of the city and is spread across 30

hectares of land. It is worth mentioning that the flight to Sydney is very easily available to travel to these destinations.

The Hyde Park is one of the largest parks of Sydney and is famous for its well-kept gardens consisting of Hills Figs, Palms

and various other species of trees. The Royal National Park, also an Australian National Heritage site is credited of being

the second oldest purposed national park in the world. The Sydney flights have the best of connectivity and Sydney flights

booking can be easily done through e-ticketing so that the travelers can enjoy a hassle-free holiday trip.
