Country Club India Water World, the Perfect Family Weekend Getaway Destination!
by [Symontuns](#)

Article published on May 23rd 2012 | [Travel](#)

Hubli, an important city in Karnataka is the largest commercial hub of North Karnataka region. Due to its proximity to Mumbai and also due to the characteristics of which it follows, Hubli is called the "Mini Bombay". An educational hub of Northern Karnataka region, Hubli has numerous schools, colleges, medical and engineering institutions. Combined with its twin city Dharwad, Hubli-Dharwad, after Bangalore, are the second largest urban cluster of Karnataka. A city of strategic importance for Indian Railways, Hubli houses the headquarters of South Western Railway Zone. With its proximity to Western mountain ranges towards Goa, Hubli has tropical wet and dry climate. This unique climate brings hot summers, mild winters and very active monsoons to Hubli. For visitors, Hubli offers numerous tourist attractions including religious sites, lakes and heritage monuments. Tourists have wide choice of clubbing and leisure facilities in Hubli which include the Country Club India Water World Resort in Karwar Road, a perfect weekend family getaway.

Situated to the close proximity to this bustling city, the Country Club India Water World Resort offers Hubli's finest choice of water sports amusement facilities, family clubbing services and leisure activities to its members and their family and friends. Country Club India Water World Resort in Hubli offers wide choice of water sports amusement options including water slides, wave pool, swimming pool and rain dance facilities. Water slides at Country Club India Water World are state-of-the-art wonders which are built after extensive surveys, experiments and tests. Various water slides at the Country Club India Water World in Hubli include velocity slides, zigzag slides, tube slides and tunnel slides. The wave pool at the Country Club India Water World Resort is a unique facility that generates huge waves resembling that of a roaring sea. This makes the wave pool at the Country Club India Water World a favourite among kids and adults alike. The large swimming pool at the Country Club India gives a perfect opportunity for every member to try his swimming skills. Throughout the operating hours, the lifeguards at Country Club India Water World are on duty, making it one of the safest amusement parks in the country. The Country Club India Water World Resort in Hubli also numerous other clubbing and leisure facilities including a Country Club India multi-cuisine restaurant, a children's pool, excellent rain dance facilities and various indoor and outdoor games.
