Article published on April 24th 2012 | Travel

Letâ€™s embark on a peaceful journey throwing some light on the miraculous Chennai that will absorb you in its beautiful aspects.

There are absolutely no mere words that can describe the true beauty of Chennai, which is also known as the Gateway to South. It is located in the Tamil Nadu state of India and offers a melange of plenty different attractions that will hold your breath. It was in earlier times known as Madras and is widely known for its rich culture and traditions. You can look forward to grab the flights to Chennai if you plan to visit Chennai for a good time.

Did you ever come across anyone stating the fact that Chennai is a unification of two worlds that are totally contrary to each other and they would be contemporary and ancient?

Though It would not be incorrect to mention that Chennai is neither totally a modern-day city nor purely ancient. It was established by the British as a small fishing village when the British were in period of influence. They then made into a commercial centre as they walked on a trail to feel the urbanization in this city. And, due to this commercialization, the city began to be known as â€œDetroit of the Southâ€•. You can have your sight rested on magnificent Hindu temples that stand tall showering the grandeur that has been flowing since the times they were erected.

The fact remains true that the Chennai is the major hub for art, dance and music as these three crucial aspects are well associated with the glorious past when it was known by the name of Madras. The spectacular city of Chennai has established itself all over the world for various dance shows that are being organized here. If youâ€™re on the brink of planning a vacation in Chennai, you can grab the unrivalled deals on cheap flights to chennai.

If you want to take down the history lane when the rulers were in their extreme powers taking onto the world by pride, there are forts and palaces that still have their beauty in one piece as it was then. You can come across several British monuments and those buildings that belong to 21st century; you are bound to sing the praises for them as they are constructed in such a way that they reveal the magnificence from their structure.

Like Bangalore and Hyderabad, Chennai is counted among a few IT hubs that have tasted the flavour of industrialization. It attracts countless visitors from all across the globe. It bestows the travellers with the complete picture of the South. This is due to the fact that there have been endless fascinating characteristics that are associated with its majestic past.
