Different Types of Limousine Vehicles

by Christina Kevin

Article published on July 4th 2012 | Travel

Limousines are the most expensive of all vehicles. They are considered as the symbol of wealth and status around the world. Rich and higher class people ride chauffeur driven limousines for attending special functions and events. Limousines are of different types and each type has a different benefit and use. They are used all over the world. The rich people buy them, while those who cannot afford to buy, hire them on rental basis. There are a lot of car hire firms around the world that offer chauffeured limousines on hourly as well as daily rates. They also offer special limo services for different popular events and occasions around the world. The most popular of all events and occasions include airport transfers, corporate transfers, sporting events, weddings, prom parties, night on the town tours and a lot more. The limo hire companies offer limo booking services locally as well as online. The different kinds of limousines reservations are made for different requirements which include:

Sedan Reservations

Sedans are the most economical limousines. They are usually hired by people who are looking for style with economy. They are the least expensive vehicles and are best for couples with the maximum comfortable seating capacity of up to 3 passengers. The couples mostly hire them for attending parties and events especially weddings. The most popular sedan vehicles include Lincoln Town Car L Series, Mercedes S Class and BMW 7 Series. They contain features such as rear controlled air conditioning system, tinted windows, plush interior, comfortable leather seating, hi-fi sound system, satellite radio and a lot more.

SUV Reservations

SUVs are the vehicles which are not only economical but also far more roomy and spacious than sedans. They are an ideal choice for most of the people traveling in groups. The SUVs which are called Sport Utility Vehicles have the comfortable seating capacity of up to 8 passengers. The SUVs are great for all kinds of events and outings. They are an excellent choice for adventure tours such as desert safari and forest adventures. Among all the SUVs the most popular include Chevy Suburban, GMC Yukon XL and Cadillac Escalade.

Coach Reservations

If you are a group of more than 8 people planning for a day out or vacation out tour, coaches are the best and most luxury option for you. The luxury coaches are equipped with amenities which depict sheer luxury. These amenities include LCD TV, hi-fi surround sound system, satellite radio, full centralized air-conditioning system, large windows for high visibility and a lot more.

Bridge Limousine is the leading online limousine booking company of United States based out of New Jersey. They have been providing superior class chauffeur driven limousines to their customers from around the world since 2007. The best thing about their fleet of vehicles is that they are the latest models which are regularly maintained and serviced to ensure the comfort and safety of passengers. Their drivers are highly courteous and professionally trained with great etiquettes and professional attitude.
