Eco Friendly Resorts of Corbett

by Rahul Ranjan

Article published on March 20th 2012 | Travel

Corbett National Park is a great place for wild life lovers. If you are planning to visit Jim Corbett National Park then plan to stay on Country Inn Treetops Resort. It is a jungle resort which is an ideal place for relaxation. Here you will get the opportunity to live a dynamic ecosystem. This resort offers 18 a/c rooms. Of which 05 of them are suite rooms, 5 of them are luxury deluxe rooms, seven rooms are cottages and one is a tree top cottage. You can enjoy delightful food in the restaurant of the resort. Different dishes are prepared by the expert chefs who are responsible for stimulating your taste buds. In this resort, there is a conference hall which can easily accommodate 400 people and the seating arrangement of the people in this hall is just like theatre in a U-shape seating. Apart from all these facilities there is a multi cuisine restaurant, 24 hours room service, laundry service, health and fitness center etc.

Solluna Resort in Corbett is built on the theme of eco friendly. It is located in the charming valley of Marchula. Especially tourists, who are nature lovers, should stay in this resort. The location of this resort is perfect for the wild life and nature lovers. It is located in the leopard zone amidst the dense forest area. This resort is located on the bank of river Ramganga and it is said to be the largest resort near the area of Jim Corbett National Park. There are 18 cottages in this resort. Entire rooms of this resort are having attached bathrooms and well air conditioned. Apart from all the other facilities there is a multi cuisine restaurant and a cozy bar. Here the tourists enjoy different kinds of cuisines along with their favorite drink. There are many other facilities in this resort which includes 24 hours hot and cold water, laundry services, 24 hours security services etc.

If you have planned to stay in Riverview Retreat in Corbett, then you will enjoy a heaven like experience. In this retreat you will enjoy air conditioned cottages along with a drawing room and small kitchenette. Here the facilities are best especially for the tourists who enjoy preparing their food of their own. In this jungle resort you will get the opportunity to enjoy exclusive villas with independent rooms, kitchen and a beautiful garden. This type of accommodation is best suitable for the tourists who travel in group of 2, 3 or 4 families.
