Article published on January 7th 2012 | Travel

Want to have some time off from your hectic and busy schedule or planning to take your loved ones to an unforgettable tour of your lifetime? Then there is no better option than to head towards Maldives Tour. You would love to spend your precious time with your family on a resort beach or a private island and come even closer to them which had not been possible for you at home.

Maldives tourism teaches you to enjoy some of the most gorgeous and colorful views of nature such as the spectacular beaches, crystal clear water and tranquil lagoons and simply laze around doing nothing. You and your family can indulge in water sports that Maldives is world famous for and divers and snorkelers are tempted to travel to Maldives again and again. Perfect warm temperature, favorable climate throughout the year and highest level of visibility makes diving in Maldives a great delight. So lovers of sea are attracted to take Maldives Tour and experience its rare underwater beauty.

As 99 percent of Maldives is water, all the resorts have abundant water sport facilities, such as wind surfing, wave surging and water skiing. As there are countless number of high- class diving options, divers are automatically tempted repeatedly to this Indian Ocean. The main cause for the sense of happiness among the tourists are the three realities of Maldives- the sea, the sun and the sand which proves to be a heavenly escape from all their worries. This is why all these 70 odd island resorts are flooded by tourists all the year round. At the same time these resorts provide all the necessary comfort, warmth and the best service you could have ever imagined.

Maldives, known as the â€˜Pearl of Indian Oceanâ€™ has heavenly atmosphere which is favorable to the honeymooners, as it provides them plenty of seclusion and intimacy as well as enjoy the beauty of the tropical islands, the soaring coconut trees and crystal white water. You will be flabbergasted by the mesmerizing beauty of the islands when you go boating at sunset or go diving among the beautiful reefs. You will find peace and tranquility in abundance and if you love sports, then thrill and adventure is also amply served in platter! Maldives tourism makes sure to take care of its tourists of all ages and tastes. So travel to Maldives and bring a smile on your familyâ€™s face.
