Article published on January 19th 2012 | Travel

Baradsar Lake is located at an altitude of 4300m on the cusp of the Rupin and Supin watersheds in the west of Garhwali. The lake or the place is less known to the outer world. As per mythology, any wish or prayer to God in front of the Baradsar Lake never goes unanswered. Well, the place itself has a sought of spiritualism in its atmosphere. Though, the feeling and observation keeps getting change on every visit to the Baradsar Lake. This is the 10 days trip where tourist faces their really fear and strength.

This place is well-known to the tourists for offering great trek for trekking. The Baradsar Lake trek offers eminent views of the greater Himalayas, Swaragrohini, Kalanag and Banderpunch. The trek of Baradsar Lake is quite long and takes few days to view the complete location. Capturing all the scenic views in one trip will offer nothing. Tourists need complete 10 days to get themselves mesmerized in the scenic beauty, villages, thick forest and ridges of Rupin and Supin watersheds. The trek of Baradsar is quite long and offers good thrill and adventure to the tourist. Like other trek, this trek also provides a natureâ€™s calmness but has natureâ€™s melody which can be heard or felt here

In case, the tourists have missed the dates to reach Baradsar Lake trek then they may decide to leave for Nubra Valley Trek. Today, this trek has become one of the most famous and popular trek to have adventure, thrill, and excitement in long walks. Many tourists called it as the Classic Nubra Valley trek. Nubra valley is located at 150 km from north of Leh. Nubra valley is one of the most amazing and adventurous places due to having many places remained untouched, unexplored, unknown and undiscovered by the world till date.

The climatic conditions in the place are highly moderate. Due to moderate climatic conditions and remaining untouched from the world for many years, the trek in Nubra valley offers or the Nubra Valley trek (which is commonly spoken) provide favorable conditions for flora and fauna to grow to their extreme. For bird watchers, for families and tourists who love adventures, Nubra Valley trek offers everything they expected from the trip.

So, depending upon the days and budget, tourist can plan to visit the Baradsar Lake trek or Classic Nubra Valley trek in Himalayas. As mentioned, Baradsar Lake trek will take 10 days and Classic Nubra Valley trek will take 23 days in Himalayas. So decide and pack your luggage today.
