There are a number of professional tourist organizers who conduct regular sight-seeing trips to Sahara desert and Morocco. South Morocco is a place of tourist attraction owing to its natural beauty as well as the historic set up. The spectacular Atlas Mountain, the lush green palms, the Kasbahs of prehistoric times and the villages with walls made of handmade soil bricks are the attractions at Morocco. Tourists will have the exciting experiences of travelling over camels along the sandy desert of Sahara and spending some time in the villages in the company of the Berber people. The tourist organizers offer various packages for the Morocco Desert Tour for single travelers as well as groups. During the trip there will be special programs such as camel treks, sightseeing trips at Marrakech and Fez, and adventure programs in Morocco. The guides from the agencies will accompany the tourists and stay with them at Morocco. There are daily pre-scheduled departures and they provide all comforts and facilities to the tourists throughout the trip.

As part of the package the organizers will arrange accommodation for the tourists in reputed hotels, riads and Kasbahs. They ensure the best quality rooms and foods at the hotels at the most reasonable prices. Travelers who intend to join a Morocco desert Tour can contact the organizers online and register their names. The tourist agencies offer the best discounted rates for the package tour and also they will arrange local guides, camel drivers and muleteers at Morocco. These travel organizers have long-standing business relationships with the hotels and other local establishments in Morocco so that the tourists are assured of the best attention and care.

Separate cars, vans or buses will be arranged at Morocco for road transportation of the tourists. The service team at Morocco will consist of multilingual professionals, drivers and certified travel guides. The journey begins from Marrakech and the road will be going over the Atlas Mountains. From Tizi n Tichka which is at a height of about 2300m the road will come down from the mountain ranges to deserts and oases. After the lovely Draa Valley, the tourists will be reaching the oases town of Zagora. At Zagora, there are a lot of places for night stay. From Zagora, the journey can be extended further as per wishes of the tourists. All tourists are entitled for a camel ride of 3 hours and they will spend the night in the desert in a Bedouin Camp. They can enjoy the most spectacular desert scenes - sunset and sunrise.
