Explore Nepal and Kathmandu for the Best Himalayan Experience 2012 by Deepak Nangla

Article published on May 31st 2012 | Travel

Have you ever planned to explore Himalaya Mountains? No. Then plan this time along with an exploration tour of Nepal and its capital Kathmandu. Reputed as the youngest republic in the world, Nepal is a South Asian country located in the mighty Himalayas. Featuring one of the most spectacular locations in the world, the country is home to eight of worldâ€™s ten tallest mountains including Mount Everest. Exploring the beauty of Himalayas through the gateway of Nepal is one of the most admiring and adventurous thing to do. To make your journey more easy and comfortable Kathmandu cheap flights are there to serve you round the clock. Avail great services of cheap flights to Kathmandu from various locations throughout the world.

Nepal is one among those Asian countries that charm cultural lovers and adventure seekers equally. On the one hand you can witness world-famous treasure of Hindu and Buddhist heritage while on the other side the surrounding mountain peaks compel mountaineers, rock climbers and trekkers to visit this surprising land. Your fascination doesnâ€™t end here only. Travellers can also enjoy bird watching, paragliding, hot air ballooning over the Himalayas or can set their pulse on racing through a number of water activities like rafting and kayaking. Along with all these, you can enjoy mountain biking and jungle safari tours especially in the Terai region of the country. If you are in Kathmandu then also there are plenty of things to do and see. From the sacred religious sites of Pashupatinath, Swayambhunath and Boudhanath to the famous Kathmandu Durbar Square to shopping malls, the city offers lots of attractions to admire. Situated 29 km north-west of Kathmandu city is the fabulous Kakani, which is famed for its alpine scenic views and majestic Himalayan panorama. The area also provides superb and clearest views of several peaks. Another most famous tourist place in Nepal is Gosainkunda, which is a lake located at an altitude of around 4,360 meters. Dhulikhel, Panauti, Charikot and Helambu are some other interesting places of Nepal that offers beautiful sights of Himalayasâ€™ beauty. Along with all these, Nepal is also famous for its Buddhist sites. The foremost among them is Lumbini, the birthplace of Lord Buddha. Some other notable pilgrimage areas of the country that are worthy to visit are Muktinath, Janakpur and Barahachhetra, as well as Gorkha, the birthplace of King Prithivi Narayan Shah-The Great, the founder of modern Nepal and hometown of two attractive temples of Gorakhnath and Goddess Kali.

The exploration tour of Nepal still has many attractive features. Antu Danda, situated at a height of 1,677 meters, is the best place in the country to enjoy sunrise and sunset. It also provides spectacular views of Mount Everest and Kanchenjunga peaks. Namche Bazaar is another such great point to have fabulous visions of Himalayas. It is better known as the entrance to the Everest region and it will take around 15 days by trekking to reach the place from Kathmandu. Feeling excited? Your visit to Nepal and Kathmandu is more relaxed now. Thanks to the easy availability of multiple cheap flights to Kathmandu. As Kathmandu cheap flights remain great in demands throughout the year so it is advisable to make early bookings.
