London Stansted enjoys the status of being one of the worldâ€™s top class airports and the fourth largest airport of United Kingdom according to passenger traffic every year. The Stansted airport witnesses more than a total of 22.8 million passengers passing through its gates every year. It is rated as the 46th busiest airport of the world. The history of London Stansted takes you 70 years back when it began as a bomber base for United States Army Air Forces during the Second World War. The London Stansted airport was later refurnished and reconstructed in 1991 as a public airport and began operating commercially. The airport has a very beautiful and hi-tech building which has made it win many prestigious awards. For the passengers, there is just about everything from Stansted airport shuttle transfer services to airport amenities and facilities.

Stansted is the house to more than 41 airlines traveling to and from 160 destinations globally. It is located conveniently at a distance of 46 kilometers from the central London and transport to Stansted airport is easily accessible 24/7 from all major locations across the country. The airport houses a single runway which is 46 kilometers wide and 3048 meters long. It has one huge terminal building which is made of glass and is oblong shaped. The airportâ€™s increasing traffic has forced the management to approve a new plan for extending airport building in order to accommodate 35 million passengers in a year. The airport operates 24 hours a day, 7 days a week 365 days a year non-stop. It is owned by BAA, an independent organization which also owns many other major airports of United Kingdom. An approximate of more than 182,000 airplanes take-off and land at the London Stansted airport every year to and from more than 34 countries across the nation.

London Stansted being one of the most significant airports of United Kingdom offers world class facilities and amenities which are second to none. The airport is equipped with facilities that include free Wi-Fi Internet, multi faith prayer room, restaurants, bars, cafÃ©, luggage service, bureau de change, shower facility and a lot more. The information desk at the London Stansted operates 7 days a week from 5:30 PM to 1:30 PM. The building has courtesy phones providing instant link to the help desk. The airport building is divided into 3 parts, Check-In concourse, Arrivals lounge and Departures lounge. The extension plans of Stansted airport include 4th part of the terminal building which is still under construction. For the international passengers, there are travel and car hire counters located at the arrivals lounge that include some of the countryâ€™s best known vehicle hire companies.

CrossCab is one of the leading online car/taxi hire companies of United Kingdom. They have been providing flawless transportation facilities to their customers across the nation since 2007. CrossCab offers special Stansted airport cab services to all cities, towns and villages of UK. They are known for the standard of their service.
