Chennai is the capital of the southern Indian state of Tamil Nadu, a glorious destination for vacationers. Chennai, formerly known as Madras, is notable to many for its natural Marina beach, one of the perfect and longest beaches of the world. The British constructed St George Forte was the basis for expansion of the British army in India and the establishment of the East India Company. Santhome Cathedral the shrine of St. Thomas at the south of marina beach is built over the tomb of preacher Saint Thomas. The oldest Kapaleeshwar Temple is the combination of ancient and modern life of Chennai that built based on the descriptions of Puranam. The structure and scientifically arranged walls of Wallajah Mosque draw the attention of the visitors.

The parks, Arinjar Anna Zoological Park is one of the largest zoological parks and recognized by the Central Zoo Authority of India and Guindy National Park consists of different types of trees collected from around the world, are the locations that make Chennai an admirable tourist destination. Chennai is the main focal point for culture, art and music in India. Pongal is the capital festival of Chennai and is celebrated over five days. Chennai is known for its special food that includes vegetarian and non-vegetarian dishes. Flights to Chennai tourists enjoy lighter meals provided by the city restaurants.

Put your leg on the peddle to book air tickets for cheap flights to Chennai with cheap air fares and travel confidently with a reliable travel agent of the UK.
