Introduction:

Kolkata is a metro city of India. It is a center for various activities that take place in the country. It also has various companies in its limits and thus the city is famous in the country. For many reasons people do visit this city. Thus kolkata hotels need a review on the internet so that the customers can visit any of the hotels as and when needed by the customers. These hotels are very famous in the city. There are various hotels and thus the range also varies according to the facilities that are provided in the hotels. A person may find the cheapest of the hotels that just offer the basic needs that any tourist would require and on the same hand the city also has various 5 star hotels that have luxuries of the world. All these factors make it a very point of concern in the whole of the city. The hotels of all types are spread throughout the city. People need not go at a distance from the railway station where they step in first in order to get cheap

kolkata hotels, whereas in the areas near to the airport, the hotels are pretty expensive and full of luxury. Thus the city is a good blend of all sorts of facilities and this in itself shows the diversity with respect to financial status of a person. These hotels may also not be at great distances from each other and thus if a person once goes to look for a hotel he or she is surely to get one in the same area. Hotels charge according to the facilities that they provide. As a person takes more number of facilities he or she is liable to pay more for a room than a simple room.

Rules:

There are certain rules associated with kolkata hotels and all these rules have been enforced by the government of India. As per these rules, a person who wants to visit these hotels must present his or her identity proof before the authority of the hotel. Some hotels also have shutters which close the hotel after some time due to the security of the hotel and the people living in it. All of these rules must be followed to give the best comfort to the customers who visit kolkata hotels for a day or more.
