Article published on December 21st 2011 | Travel

Transform you to a globe away from the factory smog, bustling traffic, skyscrapers and the daily tedious job India adventure tour is enough. This adventure keeps you in the lap of nature's freshness and sparkle where you can acquire your wasting energy and turn your vacation into a therapeutic and remedial exercise away from the daily depressing job.

People who love to adventure find an ideal location where they can opt for a number of adventure sports they want to be indulged into such sports. The Indian landscape is the merger of high and low mountains and numerous rivers. Such assortment in the geographical configuration creates it a hot bed for tourists who like adventure activities. From journey to flora and fauna, rock climbing, mountaineering to scuba plunging every breathtaking exercise to revivify your sole is endowed by the India tour. The most sought-after adventure spots in India are snow-capped Himalayas in East-North India.

You may move away the Andaman and Nicobar islands for enjoying the Scuba Diving and Snorkelling in India. You can drift away under the mesmerizing sea with different coloured coral reefs and uncountable fish. You can indulge in activities such as fish identification and photography. Cycling and motor biking are other adventure activities which are rapidly acquired popularity. The Himalayas offer an ideal ground for cycling activities. Some of the most popular adventure places for cycling and mountain biking in the Himalayan region are in the regions of Sikkim, Arunachal Pradesh Jammu and Kashmir and Himachal Pradesh. These four states of the country are main adventure spots in India tour packages, which attract numbers travellers to come here.

If you have ever dreamed of flying akin to a real bird, here is an opportunity granted to you through the paragliding activity. Billing (8,500 feet) in Kangra valley in Himachal, Kallahatti close to Ooty and some areas of the regions of Sikkim, Orissa, Goa and some north states are famous spots for the paragliding activity. Parasailing is an activity through which you are attached to a parachute that takes you into the air to relish the beauties of the land and sea below. The Solang valley near Manali, Nilgiri hills in the southern regions, the Eastern Himalayas in the Darjeeling and Gangtok territory, Auli in Uttrakhand, and Sansar in J&K are best known for enterprising the service of offering this sport to the tourists who come from across the world.

The grassy and leafy slopes of hills seem to exclaim to the tourists who love to adventurers to indulge in trekking activities. Western hill stations covering the regions of Himachal Pradesh, J&K, and Uttarakhand are the most popular destinations and they create an ideal India adventure for trekking.
