Article published on January 28th 2012 | Travel

An organized tour is one of the best ways to explore exciting Gold Coast in Australia. Canal cruises, whale watching, dolphin tours, jet boat rides, snorkeling and hot air balloon tours are some of the main attractions here. An aerobatic spin in a Tiger Moth plane, bush walking, abseiling, adventure safaris, bird walks, hang-gliding and horseback rides are other popular activities of Gold Coast tours. This region also has lush rainforests, national parks, picturesque villages, craft shops and many other tourist attractions. You can also get a wide range of luxury and budget accommodation options while you are on one of the stimulating Gold Coast Tours.

Tasmania tours offer you a memorable journey to Tasmania â€“ a pure and rejuvenating destination with fresh regional produce and fascinating wildlife. Multi-day hikes through the jungles, cycling tours, wine tours around wineries and tours of Launceston, Hobart and Port Arthur are some of Tasmaniaâ€™s tours that are highly sought-after. The east coast of Tasmania has charming beaches, lush forests and panoramic views from the mountains. The west coast is least populated, making it the ideal destination for those seeking beauty and solitude.

Darwin fishing charters specialize in full day fishing charters and harbor fishing trips. The fishing vessels have high-end technology, a large back deck, accommodation, top-class facilities and comfortable seating. Throughout the day, the Darwin fishing charters anchor on various artificial wrecks and natural reefs, targeting famous species such as Black Jewfish, Golden Snapper, Cod, Tuna, Tricky Snapper and Trevally. The fishing expeditions cater to local, interstate and international fishing enthusiasts and the destinations include Middle Reef, Bass Reef, Fish Reef, Lorna Shoals and Charles Point, to name a few. These charters are among the most popular fishing expeditions and several thousands of tourists visit Australia for the thrill of fishing on the luxurious vessels.
