Article published on January 24th 2012 | Travel

Bangkok has gained the reputation of being one of the most frequented tourist destinations in Asia. However, the popularity of Bangkok is not just limited to tourists from Asia, this mesmerizing city has been able to lure travelers from all over the globe. People love to come to this part of the world and explore the dynamic and appealing landmarks and attractions of this city and nearby regions. Tourists from all parts of the world including Europe and America are heading towards Thailand to explore the many hidden facets of this land. Moreover, the availability of numerous Bangkok flights from UK makes it very easy for travelers from far of countries to reach Bangkok conveniently. In addition, there are many Bargain flights to Bangkok that easily transports people to this land without any hassle.

Bangkok offers some very interesting sights and scenes that serve as visual delights. While planning your vacation in Bangkok, you must consider spending enough time in the city so as to be able to explore all the iconic landmarks and attractions in the city. The city has in store many such treasures that make Bangkok such an iconic city. Bangkok has many beautiful temples, out of the world palaces, museums, gardens, and so on. All these are popular attractions and offer intriguing stories to share with the tourists. One such incredible landmark is the Grand Palace & Wat Prakeaw in Old City. This majestic Palace is respected and admired by one and all. Built in 1782, the Palace served as home of the Thai King for 150 years. Moreover, it also functioned as the Royal Court and as the administrative seat of the government. The Palace makes everyone wonder with its interesting architecture and beauty. The Palace is also popular for its highly revered image of Buddha called as the Phra Kaew Morakot or (the Emerald Buddha). This image is carved out of a single block of 15th century emerald. Likewise, there are many other architecturally interesting attractions such as temples namely, Wat Arun (Temple of Dawn), Wat Mahathat, Wat Pho (Temple of Reclining Buddha), Wat Phra Kaew, Wat Saket (Temple of the Golden Mount), Wat Traimit (Temple of Golden Buddha), Wat Benchamabophit (The Marble Temple) and so on. In addition, there are many mansions, which serve as interesting pieces of architecture such as the Vimanmek Mansion, which was once the royal residence of King Rama V.

With so many attractions and wonderful monuments to see, Bangkok truly serves as an interesting destination for one and all. With bargain flights to Bangkok, the viability of reaching the city has also gone up. In addition, the introduction of Bangkok flights from UK and other important cities of the world enable easy transportation to this city from across globe.
