We truly comprehend the fact that everyone deserves a break from their daily routine lives that has engrossed them in so much of workload that it has made their life humdrum. They say that variety is something that adds spice in life then why they donâ€™t seek for something exclusive that will shower upon them some moments of fun and excitement. Yes, we are trying to initiate a conversation with you through this article in which we will throw some light on one of the most highly preferred cities in India. It is Chennai that we are referring to. Chennai is the capital of Tamil Nadu state of India and is at times known as the gateway to the south. Many tourists take flights to Chennai so that they can amalgamate their souls with the sheer beauty of Chennai.

Why Chennai is known as the gateway to the south?

There can be innumerable retorts to the above stated question that lie in individualsâ€™ minds that have really made their fantabulous way to Chennai. There can be a probability that you have visited the city a few years ago to grab some good moments with your beloved one with whom you have tied the knot or youâ€™re a passionate wanderer who likes to embark on a journey on their own. Chennai is laden with a plethora of attractions that you just canâ€™t resist. Chennai is a city that boats about its striking temples, historic monuments and beaches that add to the cityâ€™s allure.

Soaked in rich history and culture that have been on their prowl since ages, Chennai is home to some of the major and huge IT conglomerates in South India other than Bangalore and Hyderabad. It is a perfect hub for art, music and dance where a number of dance forms originated here. Many dance aficionados get inspired by the beauty of Chennai that it offers them in terms of its Classical music.

Chennai is also renowned among the travellers for its temples and the holiday-makers take cheap flights to chennai to experience the best of everything that it has to offer.

Chennai flights are taken by globetrotters who are on the edge of exploring the tits and bits of this enigmatic city that has so much to offer in terms of palaces, forts, Hindu temples monuments, festivals and of course, the beaches.

Beaches are one of the main attractions that sightseers canâ€™t afford to miss. It may come as a shocking to you that Marina beach, which is one of the longest beaches in the world, is more than 12 kilometres long. You can head to some of the most gorgeous beaches such as Kovalam, Breezy and Edward Elliot on this planet.
