Good food, Good life! Neither do the Chinese care about the business failure nor about the environmental hazards, it's the food that makes a Chinese happy and so they believe in eating good food. Why do Americans eat food? Why do the Indians eat food? Because food is the source of energy. For the Chinese, the concept of eating food is just not about getting energy but more about harmony and closeness in the relationships.

Kolkata's love food, and there is no two way about it. For all who may have been living beyond the boundaries and have also been sticking to strict food habits of some form or the other, may become a very different person altogether while in this city. This is especially true when you are an Indian or are travelling in India. Every city in India offers a choice of Indian and international cuisines in different ambiances to suit varied budgets. And Kolkata is no exception to this trend.

With more and more luxury hotels and multi cuisine restaurants cropping up here and there, Kolkata is now well equipped to offer a plethora of foreign cuisines ranging from Chinese to Thai and from Italian to Greek. Nowadays, various kinds of food festivals are also held in many a Chinese Restaurant in Kolkata in the city. Dining in any of this city's Chinese and Continental Restaurants is bound to be a marvelous experience. Once you set foot here, this city's love for food will definitely reel you in.

Apart from the authentic Bengali dishes, the restaurants also have Chinese, South Indian and Continental cuisines to offer. People of Kolkata adore and relish good food. They simply love to visit different places and try out new recipes. Kolkata has everything, right from the roadside food stalls to 5 star restaurants. The taste of the delicious recipes can satisfy anyone's hunger for great food. The city has fairly a large number of affordable restaurants that cater to everybody's taste buds.

Popular Continental Restaurant in Kolkata also serves great Chinese food: you would simply love the food items prepared by seafood and meat that has a new flavor. For any and every kind of meal; be it fine dining, afternoon snack or a Sunday brunch, you can easily find suitable restaurants in Kolkata. The key is to thoroughly research and pick on the ones you like to visit on parameters like cuisine, décor, price, location etc. There can be no denial to the fact that once you have outlined your budget, you have a lot of choices out there.

Majority of people in Kolkata love their indigenous cuisine, but they are also extremely experimental. They are open to trying out new recipes from various parts of the world. It is because of this reason, that there is a lot of scope for Chinese restaurant in Kolkata. Young generation of the city simply loves this cuisine.
