Article published on June 4th 2012 | Travel

Nairobi is the capital and the largest city of Kenya which, when translated from the Masai phrase, gives the meaning â€˜cold waterâ€™ of the running river beside the city that lent this name to the city. The city stands as one of the most conserved metropolitan cities on earth which is swarmed by a bunch of tourists all through the year. Famed as â€˜The Green City in the Sunâ€™, this city is home to numerous businessmen and emerging international companies.

Climate

The city enjoys a moderate weather which makes for some cool evening, especially in June and July season when the temperature can drop to 50Â°F. December to March are the most sunniest and warmest months One can holiday with Nairobi Flights at any time of the year, although November to February can turn out to be pleasant with warm, sunny days with the altitude of the city making it extremely judicious.

Accommodations & Transport

There are bountiful prospects for accommodation in the city. Be it for single escapers, budget travelers, recently wed or vacationers, there are some wonderful options for everyone coming in. From bagpackers hotels and guests apartments to the plush hotels, Nairobi never lets anyone down. All major modes of transport can be seen zooming around. You can opt for rented cars, taxis or buses. You can rent cars with chauffeur driven drivers or self-driven which is actually compelling. Car hire companies offer safari cars too for the more fearless adventurer. Buses can be slightly discomfited for vacationers; hence, most of them hire a vehicle or taxis. Board Flights to Nairobi and enjoy a range of amicable hotels offering superlative services at rewarding costs.

Attractions

Nairobi is a land where various expeditions were born and has been allocating as the safari capital of Africa since several years. Keeping in mind regarding the equator right above you, the climate might just entice you to relish surplus wildlife encounters encompassing the leopard, the elephant, the lion, the rhino and the buffalo. Amazing species of birds can definitely be a feast in the eyes of a bird-lover travelling on Cheap Flights to Nairobi. The vivacious city is blessed with an additional wealth of enriching heritage, natural beauty and some fun-filled adventure. Few of the other attractions are: Olooâ€™s Children Center, Uhuru Gardens, Bomas of Kenya, Giraffe Center, Nairobi National Park and many more awe-inspiring sights.

Shopping

All through the city and its periphery, there are quite a few shopping centers and supermarkets that have never failed to pull the shopping fanatics. The prime shopping center is the Sarit Center, which is a very contemporary mall in the Westlands area. The Village Market in Gigiri and the Ya Ya Center become quite raucous during the evenings. At the center of the town, a great City Market abounds selling vegetables, fruits, meat and fish. Itâ€™s truly an appealing place to spend time with the locals, marveling at their handicrafts and getting to mix in their culture. Few other markets to hang around around are: Baishara Street market, Kariakor Market and the Kitengela Glass Studio. Reserve your Flights to Nairobi to enjoy the greatest shopping activity of your life.

Dining

The boundary adjoins countless eateries from the traditional family restaurant to the up-scale global bistros. The lush city displays an enormously energetic and peculiar collection of tourism delights, including pompous museums, all of merit to every penny that you spend in the city. The metropolis has an outstanding conflicting image that showcases affluent spacious inhabited structures. On the other hand, it hides the thrived dishonesty, crime, grime and paucity. The most popular places in the city are the National Museum, Snake Park, the Langata Giraffe Centre and the man-made Masai market thatâ€™s amazingly remarkable. Tourists from around the globe relish the multinational cuisines and local food all under the mesmeric skyline with
