How to Select Among Tallahassee Restaurants by [Ivan Dunn](#)

Article published on March 29th 2012 | [Travel](#)

Youâ€™ve arrived in the capitol city of Florida ready to experience all the area has to offer, and itâ€™s time for a great meal at one of the Tallahassee restaurants youâ€™ve heard so much about. Plan your culinary experience wisely and you will not be disappointed. Some tips for ensuring your breakfasts, lunches and dinners are memorable are shared below. Good luck eating your way through all that Tallahassee has to offer!

- Itâ€™s nearing dinnertime and you are tempted to just stop at the first restaurant that looks hospitable. Resist the urge to make a quick decision. Instead, ask a local Tallahassee resident to share their favorite restaurant with you. The old adage â€˜the locals know where the good food isâ€™ stands true in Tallahassee just as it does everywhere else around the world. Trust a localâ€™s recommendation, and you may find yourself dining in a â€˜hole in the wallâ€™ gourmet spot that you never would have found on your own. Locals just have an uncanny ability to scope out the best places, and it is definitely to your best advantage to trust them on their assessments.

- Once youâ€™ve narrowed your list of possible eating establishments down to a few restaurant names, check the Internet. Scour the first few reviews that you find to see if they are favorable. If youâ€™re in a hurry, simply look to see how many stars the restaurant has received. Browse any online menus that are available and make sure that there are items that you will want to order.

- Keep your pocketbook in mind. If you are not on a budget, then by all means throw caution to the wind and order caviar, escargot on toast points and the most expensive pinot noir you can find in Tallahassee. However, it is very possible to have a memorable eating experience without breaking the bank. A little research will go far in making your choice the best you can make.

- If you have a good meal, tell others. Go on the Internet and offer your take on why other visitors should choose this establishment above other Tallahassee restaurants. Share the good news. And when people ask you about your trip to the capitol city of Florida, tell them about all of the Tallahassee restaurants you enjoyed during your travels. Not only will you shape the future plans of tourists, but you will relive your experience each time you explain all of the nuances that made your meals so delectable.
