Hen night activities are of utmost importance to make the party fun and exciting for everyone. If you have good activities on your card you can make everyone smile, else you will make them frown. So in order to be a good planner, it is imperative that you jot down some great activities that you can include in your hen party.

Since the party is to be throw in honor of the bride, keeping her interest in mind is required but it is always important to plan the activities in such a manner that everyone present in the party have their share of fun.

The types of activities that can be done during the hen night are:

Dance and drinks â€“ a party with good food, good music and good music completes the night for some girls, who want to dance and let go. Obviously for the bride too who gets to enjoy her last few days of singlehood before marriage.

Spa and beauty care â€“ certain girls like keeping it simple and relaxing. For such women there is nothing like a good spa where they can feel good about themselves.

Male stripper â€“ girls who want go naughty can call male strippers to their hen parties to add that little zing to their party. But then again if should be well thought keeping the brideâ€™s favorites in mind.

Gossip games â€“ women who just want take it all out before getting married should go for a party wherein they have games like truth and dare to get out their deepest secrets and have fun simultaneously.

Yummy food â€“ you can go for good food for the party, which girls usually cut down on like chocolates, cakes, pizzas etc.

Some of these activities can add a lot of zeal and enthusiasm to your party.
