Immerse in Some Great Attractions of Seoul this Season by [Robert Connor](#)

Article published on August 10th 2012 | [Travel](#)

Wow! There is so much to do and see in the city of Seoul. Seoul is the capital of South Korea. As the country's capital, Seoul serves as the nation's social, political, cultural and economic hub. The city has over 5000 years of historical evidence that proves why Seoul is one of the most admired cities of the world that attract a flock of the travellers. Numerous people book flights to Seoul to visit various Seoul attractions such as ancient temples, palaces and some natural and cultural highlights as well.

Seoul is one of the largest cities in the world and is home to over ten million people. You would be surprised to know that this vivacious city is blessed with 4 locations that have been regarded as World Heritage Sites by UNESCO. You would come across a plethora of museums, markets, restaurants, shopping plazas and skyscrapers.

If you admire shopping, you have to ensure that Insadong should be on your lists-to-do. It is the place that boasts of a number of art galleries and shops. You can also find traditional tea and coffee shops here. You can explore historical facts and artefacts by making your way to the National Palace Museum and the National Folk Museum. Seoul is also known as Seoul Special City is the biggest metropolitan area of South Korea. Located in the Han River, it was considered as the World Design Capital by International Council of Societies of Industrial Design two years ago.

Admire unveiling the hidden pages of history? You can head to the National Museum of Korea, which is one of the largest museums in Asia. The museum is without a doubt a wonderful place to grab information about the Korean culture and people with more than 220,000 pieces and 20,000 being displayed at one time.

You can grab cheap flights to Seoul and take your senses on an exciting tour as you begin taking a glimpse of the exhibits of Asian art, pagodas, wooden bowls, pottery, calligraphy, bronze statues and the list does not come to a halt.

Want to visit an awe-inspiring World Heritage Site by UNESCO? Changdeokkung Palace is the almost 600 years old. It is indisputably one of the renowned "Five Grand Palaces" in Seoul. It is home to innumerable kings, queens and princes and is made up of a plethora of traditional Korean buildings. How about catching hold of a mind-blowing view from the top? Pay a visit to Seoul Tower, which is also known as Namsan Tower. You can also visit the shops, cafes, restaurants and two observatories on the tower.
