Information You Need to Know About the Truly Asian Country if You are Planning a Vacation There, Called Malaysia! by [Austin Brian](#)

Article published on July 19th 2012 | [Travel](#)

Originating from the kingdoms of the Malay empire, the country of Malaysia is an amalgamation of tradition, tourism, culture, vibrant and modern atmosphere and an extremely hospitable population. Malaysian being the official language of the country, Malaysia contains people from various races and ethnicities, the majority being Malay, then Chinese, Indigenous and others in scattered amounts. Malaysia is a heart warming and truly welcoming country which gains large economic profits just based on its tourism business. It is an ideal holiday destination engulfing pristine wide beaches, water games in deep blue waters, luxurious hotels and marvellous resorts in the most exotic islands. Such rich heritage is combined and mingled with elegant shopping malls, skyscrapers, modern architecture and a vibrant nightlife. Popular for its chic and stylish architecture and the tourism attractions it has been containing since time immemorial, Malaysia is the perfect resort of not only tourists belonging to Asia but also tourists from the western and eastern subcontinents. To promote more and more tourism and increase the revenue of the country, Malaysian government, tourism agents and other online tourism portals provide many Malaysia tour packages to the enthusiastic tourists to come and explore the unending lands of Malaysia!

Insight into the tour packages:

The Malaysia tour packages offer you with the most exquisite facilities and options to make your stay and tour in Malaysia cherishing forever. Facilities ranging from a luxurious and comfortable stay at a nice hotel or resort or cottage depending on your choice to availing of facilities such as the exquisite massages, spa and sauna, gym and swimming pool are just to name a few. These packages can easily be booked online as well as through a travel agent. You must go through all the options and facilities and compare the rates and facilities offered by the different operators and portals before settling down to one. The options available are many but careful wit and intelligence is necessary before you make the Malaysia tour packages choice.

Attractions:

Being a home to various attractive cities like Penang, Kuala Lumpur, Langkawi and Genting; Malaysia offers exotic tourism opportunities for the travel enthusiasts. Malaysia is home to a lot of monasteries, historical sites, churches and other religious attractions in addition to shopping malls, modern architectural buildings and other adventure sports. Make sure to book such Malaysia tour packages that include all these special attractions, sites and adventure sports before you actually embark on the journey to this truly Asian country!
