Article published on January 9th 2012 | Travel

Are you planning for an exotic tour? If yes, so you can choose Kerala. It is the best tour destination in India which is beautifully sandwiched between the Arabian Sea and the mighty Western Ghats. It is located in south-west India and truly is one of the fascinating tourist destinations. It is also known as â€˜Godâ€™s own countryâ€™ because God has blessed this place with lots of lush greenery and natur beauty. There are many spots in Kerala, where you can enjoy best time of your life. These tourist places in Kerala are blessed with scenic beauty of nature which will magnetize your heart and soul with its charming beauty, and gives you happiness and refreshment throughout your tour.

Some of the most wonderful tourist destination and attractions which easily attract the vacationers on your tour to Kerala and which easily enhance the beauty of Kerala tourism are such as from all over the globe are such as listed below.

Picturesque Hill Stations

Hill Stations are one of the best parts of Kerala because they are amazingly gifted by the nature. You can see all around lush greenery hills, Tea gardens, waterfalls, rivers, lush green surrounding rich in flora and fauna and more of all you can enjoy the sweet and melodious twittering of the birds that fills the air, and you can feel cool and fresh air. It is magnificent spot for tourists. The famous hill stations to visit and explore are such as Munnar, Idduki, Wayanad and many alike.

Stunning Beaches

Beaches are best attraction of Kerala, greatest number of the people come in the evening for mood refreshment, walking and spend good time with family and friends. The great feel when cool waves come towards to you and wet your feet. Because of beaches air is cool and energetic and there are also available mouthwatering sea foods, These Qualities are made photogenic spot. Any Kerala tour packages is not completed or considered as very worth one until the stunning beaches like Kovalam, Cherai, Beypore and Fort Cochin.

Journey of Wildlife

Kerala is not for those who want to see beauty of nature, waterfalls, Hills Stations, Kerala is also good for who interested in wildlife. If you are visiting Kerala then donâ€™t miss to see pure wildlife parks and perfect place for capture picture of wild animals. In wildlife parks you will see many wild animals like wild dogs, tiger elephants, jungle cats, leopards, beers and you will enjoy every moment of wildlife journey. The most sought after wildlife sanctuary is such as Thekkady.

Kollam

Kollam nestled 71 km north of Trivandrum, capital of Kerala. There are some historical buildings and traditional temples that tourists can see on tour of Kollam with backwater. The most attractive and noticeable feature of Kollam, is the Ashtamudi Lake, which covers Kollam town around 30 percent.

Kumarakom

Kumarakom is 15 km away from Kottayam and 75 km from Cochin. You can see scenery lush Hills, waterfall, bird sanctuary, Egrets, herons, wild ducks and lotus in the Lake, which you never saw before in your life.

Explore the beauty Kerala with any customized tour packages in Kerala truly offers you a best tour destination in India, which never fade from your mind and life and you will come again to see scenic beauty of Kerala.
