Key Features of the hotels in Mysore, So As to Ease the task of Planning a Trip Here

by Julia Ana

Article published on June 23rd 2012 | Travel

Mysore is a city of Karnataka. This is the second largest city in Karnataka after Bangalore. This city is famous for the sandal trees found here in wide range. Mysore is a very ancient city. The history of India mentions Mysore way back from the khilji dynasty. Mysore has witnessed many famous wars between the then kings and province rulers. The handicrafts made of sandal wood, the famous Mysore silk saris, sweets are a main attraction for tourists here. The scenic beauty of this place is incomparable with hills and mountains circling the place. Hospitality industry is a major source of economy here though with time industries like information technology have evolved. Hence you can find many hotels in Mysore.

People visit this place mainly to satiate their hunger for knowing Indiaâ€™s history. Within the walls of this city the secret of Indiaâ€™s past is held which can only be felt or sensed by visiting this place in reality. The Mysore design is a very famous design of handicraft. Mysore sweets too are very popular. Mysore has a famous style of art and painting which is popularly adopted all over India. A number of hotels in Mysore, each as good as the other has been set up from time to time to provide accommodation. Mysore hotels have all the facilities required by each of the visitors as all do not visit this state with a single and common motive. Those who are here to enjoy the charm and myth of the city are provided with guides, maps, and vehicles by hotels in Mysore. Those who are here in search of future prospects are provided with addresses, maps, contacts of the relevant people by the hotel staff.

The hospitality of the hotels in Mysore is worth mentioning. But, one may face language problem in this city as here Karnataki is mainly spoken. Nevertheless, the hotel staffs are very understanding and helpful people who aid you in all your worries of communication. Some of the hotels in Mysore have got translators who can be of great use at the time of crisis. The hotels are very neat and clean, hygienic with attached bathrooms. The beds are big and comfortable with provisions of television and air condition in each room. The hotels have facilities of providing foods as required by the tourists. Visitors to Mysore are sure to get a vacation worth remembering for lifetime.
