Article published on December 2nd 2011 | Travel

Kingfisher Red airlines is a privately owned first low cost carrier run under the leadership of Vijay Malaya, the chairman of Kingfisher Red. They offer full service and promise an unparallel experience to the Indian travelers. Kingfisher Red airlines was previously known as Deccan airlines and announced change in its brand name to in August 2008 and started operating under Kingfisher IATA code IT. The company offers flight services to all the important cities of the country by catering to the needs and requirements of the travelers. These largest domestic airlines which connects over 70 cities and has more than 540 daily departures. The combined entity of Kingfisher red airlines currently operates a fleet of 49 brand new airbus A-320 family aircraft and 30 ATR aircraft.

Kingfisher red airlines with its online booking system enable the travelers to have a look at the flight schedule. It has also launched the mobile ticketing to its passengers. M-Fly is the mobile ticketing offering by Kingfisher red for all its passengers which is convenient option to book tickets from their mobile phones (GSM/ CDMA) sitting at homes, office or even while on the move without giving out any credit/ debit card details.

Kingfisher Red airlines have explored the interiors of the country and integrated vast and varied destinations on an exhaustive route network. Our airlines have helped to connect the common man by connecting him to small, unconnected towns and cities. Their route network is the largest in the country extending from Ahemdabad in the west to Baghdogra in the East and from Delhi in the North to Madurai in the south. It has in fact simplified the entire process of air travel, beginning from getting information to booking flight tickets or rescheduling, cancellations etc. it was the first airline in India to pioneer the concept of e-ticketing.

So next time you are planning to book a flight ticket opt for Kingfisher red airlines as the company promises to offer you low cost airlines with tele check in facility where the passengers are assigned preferred seat numbers at the time of Tele Check in. Passengers who tele checks in on emergency seats are bound by the rules of the emergency exit seats. So this time on your vacation get ready to explore the executiveness of these elite airlines and create some lifetime time memories that will compel you to come back to it again and again.
